

LandCruiser 70

Still powerful, still indestructible

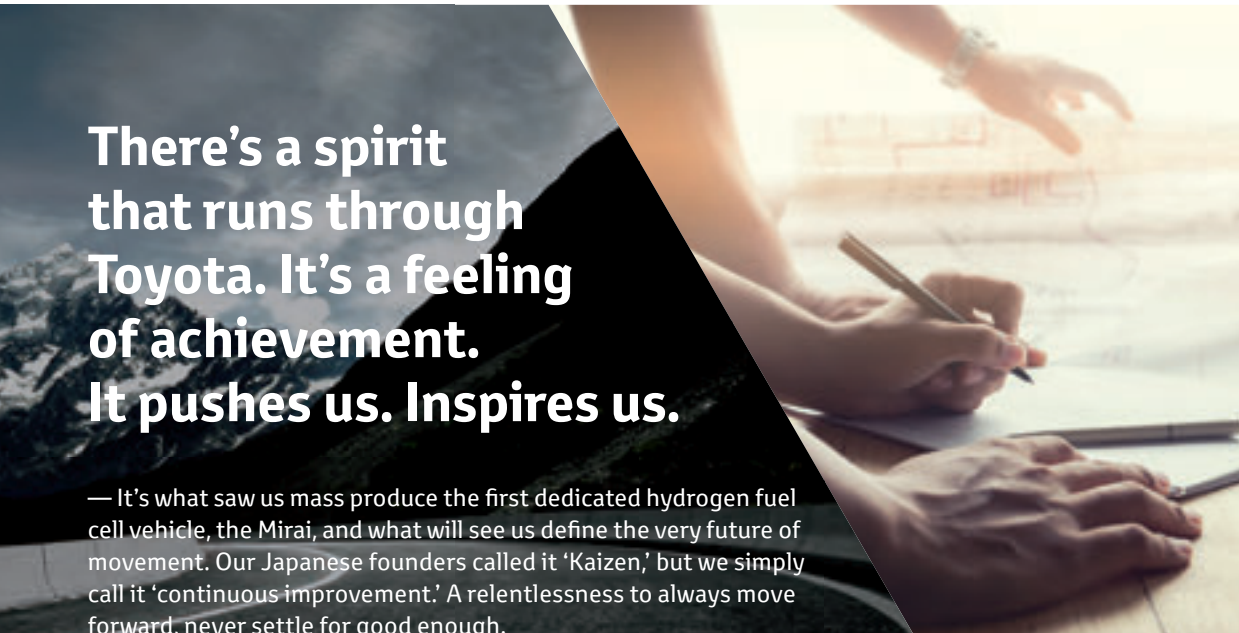

TOYOTA

toyota.com.au

Oh what a feeling!

**There's a spirit
that runs through
Toyota. It's a feeling
of achievement.
It pushes us. Inspires us.**

— It's what saw us mass produce the first dedicated hydrogen fuel cell vehicle, the Mirai, and what will see us define the very future of movement. Our Japanese founders called it 'Kaizen,' but we simply call it 'continuous improvement.' A relentlessness to always move forward, never settle for good enough.

And here's the exciting part, this feeling of achievement is yours to experience. Life changing moments, just waiting to be told. Whether it's the thrill of experiencing the latest in technology, venturing somewhere completely new or simply spending more time with your family. That sense of achievement, whatever form it comes in, will be a feeling you never forget.

This is a journey for which we don't know the destination, but looking back at how far we've come, it's safe to say tomorrow looks exciting beyond imagination.

“

We are a group of passionate perfectionists who can't let well enough alone...

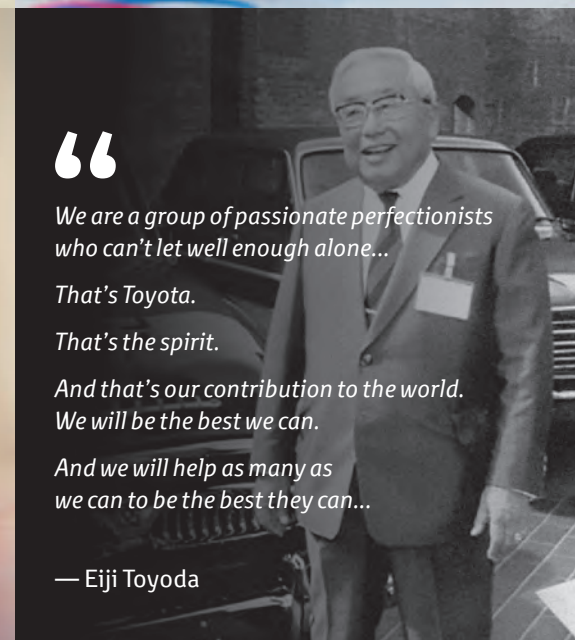

That's Toyota.

That's the spirit.

*And that's our contribution to the world.
We will be the best we can.*

*And we will help as many as
we can to be the best they can...*

— Eiji Toyoda

Modern, purposeful with legendary strength

The LandCruiser legend follows a path right back to 1957 and the Snowy Mountains Scheme. It was here the original LandCruiser forged its place in Australian folklore. Then through the years, as the work and demands got tougher, LandCruiser got stronger.

From the Bass Strait pipeline projects to the

roughest rural, mining and construction sites, LandCruiser became the 'go to' vehicle you could always count on. Today, LandCruiser 70 Series are the uncompromising workhorses of the LandCruiser line-up. Delivering legendary strength combined with muscled-up looks, stacks of grunt and a truckload of impressive features and comforts inside.

Front cover: Single-Cab Cab-Chassis GXL model shown with optional Toyota Genuine tray body (Sold separately)

This page: Single-Cab Cab-Chassis GXL model shown with optional Toyota Genuine tray body, steel bullbar and side rails (Sold separately)

A tough, work hardened physique

The rugged good looks of the LandCruiser 70 Series are more than just skin deep. The tough steel body is built upon a full steel chassis to provide a strong stable platform.

Not only is the wide body design suitably muscular with real on-road presence, it also accommodates an awesome powerplant up front. And the A-pillar mounted snorkel helps your engine breathe better, particularly in dusty conditions.

That large, impressive looking front bumper is purposely designed to give a great approach angle, so you'll have heaps of clearance when lumbering over tough terrain.

And there's plenty of glass area to maximise visibility and come nightfall, powerful halogen lights show the way ahead.

Shaping up to the challenge

Regardless of the LandCruiser 70 you choose, you'll have a vehicle purpose built from the ground up to get stuck into the rough stuff.

The practical WorkMate in the Single-Cab and Double-Cab Cab-Chassis models, the Wagon and the Troop Carrier, is fitted with a black front bumper, radiator grille and mirrors.

Tough as nails 16" alloy wheels come as standard

on the GX and GXL Single-Cab, GXL Double-Cab Cab-Chassis and Wagon grades. All GXL models except the Troop Carrier feature over-fender flares and front wide mud guards as well as central locking. A chrome grille, roof drip moulding and bumper are all standard on the GXL Single-Cab, Double-Cab Cab-Chassis, Wagon and the Troop Carrier models. These models, as well as WorkMate grades, also feature chrome door handles.

Troop Carrier GXL model shown

Single-Cab Cab-Chassis GXL model shown

Comfort right up to the task

Whether you're doing a long haul behind the wheel or long hours on the tools, the interior features and comforts in LandCruiser 70 will help lighten the load.

The engine immobiliser is standard and helps ensure no-one drives your LandCruiser 70 without the nod from you. The lockable glove box also helps

keep your valuables in place.

There's an abundance of common sense with controls right where you need them and the blower and heater unit are integrated into one and placed centrally, for easy access.

The standard audio system incorporates an AM/FM tuner,

USB audio input for iPod^{®1}/MP3² players and a MP3 compatible CD player with Bluetooth^{®2,3} connectivity to keep the music working overtime.

In the GXL, you'll also have the luxury of power windows and remote central locking.

Built to work your way

With a trusty beast that goes almost anywhere, does almost anything, you'll also appreciate the flexibility to load it the way you need. Across the LandCruiser 70 Series, you'll find versatile seating and cabin arrangements that are designed to handle the demands of many different jobs and situations.

In the Double-Cab Cab-Chassis and Wagon models, you'll have enough room to seat five adults and throw in their gear as well as the dog. And when you need to haul the whole crew up to the coalface, Troop Carriers can carry two or five people.

Plus the wide opening rear doors on the Wagon and Troop Carrier make it a breeze to load people and heavy gear.

Tough with a tender heart

LandCruiser 70 Series boasts all the grunt and muscle you need to get into uncharted territory. But it also packs in a heap of advanced features to help get you safely home again.

If called upon, the big, powerful ventilated disc brakes all round are ready to slow things down in a hurry. Plus an Anti-lock Braking System (ABS) is standard across the range.

The collapsible steering column has been designed to help provide protection in real life emergency situations, whilst the side intrusion beams help protect you from side-on collisions. These no nonsense measures are further enhanced by driver and front passenger SRS airbags, as well as Emergency Locking Retractor (ELR) seatbelts for the outer positions in the front cabin that also come standard across the range.

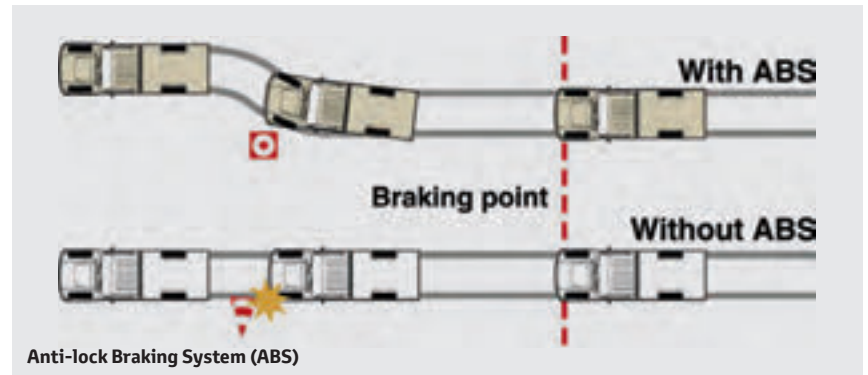

Not forgetting the little ones, Child Restraint System (CRS) upper tether anchors allow the easy fitting of child seats in the five door Wagons.

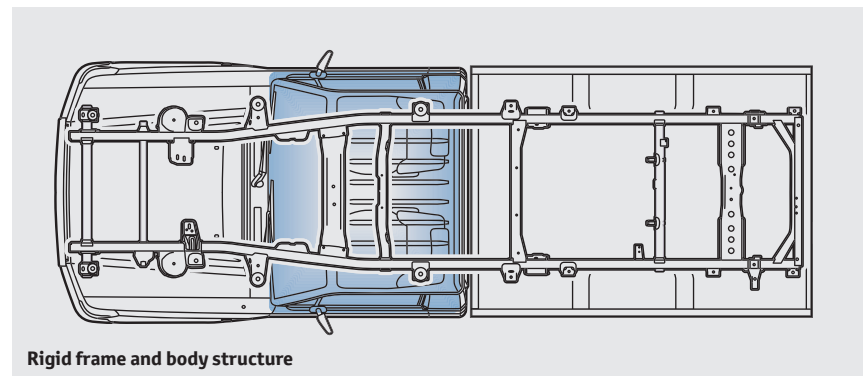

Side impact beams

Disc brakes

Anti-lock Braking System (ABS)

Rigid frame and body structure

Real power. No sweat.

A real workhorse needs a big heart, and it'd be hard to find anything with more get-up and go than the LandCruiser 70 Series.

The 4.5 litre V8 Turbo diesel engine delivers enough grunt to help make tough jobs easy. With 151kW⁶ of power coming on strong at just 3,400rpm⁶, and a massive 430Nm⁶ of torque all the way from 1,200-3,200rpm⁶, you get quick acceleration, big pulling-power on steep hills and muscle to haul heavy loads.

The variable vane turbocharger also provides greater response at lower engine speeds and with the fuel efficiency of just 10.7 litres/100km⁷ for the Single-Cab Cab-Chassis and Double-Cab Cab-Chassis, Troop Carrier and Wagon, you're sure to go a long way. Especially with a 180 litre fuel tank available on the Troop Carrier, and the 130 litre tank on all other models.

Plus there's the latest fuel injection and technology including Exhaust Gas Recirculation (EGR) to help LandCruiser 70 meet the Euro V emissions rules.

Then when it comes to harnessing such impressive power, the proven 5-speed manual transmission delivers smoothly across high and low range, even when faced with testing terrain and carrying some heavy loads.

WorkMate Double-Cab Cab-Chassis shown with optional Toyota Genuine tray (Sold separately)

Single-Cab Cab-Chassis

WorkMate

- 4.5 litre V8 Turbo diesel engine
- 130 litre fuel tank

Bonnet protector

The Toyota Advantage

Every Toyota gives you a lifetime of advantages. That's what makes it a Toyota. You'll enjoy legendary Toyota value from the moment you drive away, and you'll continue to appreciate the quality, safety and innovation that's engineered into each model, every day you drive.

Discover the full range of products and services and find your nearest Dealer at toyota.com.au

Discover the freedom of Toyota Access¹¹

Toyota Access puts you in complete control when buying a new car, with lower monthly repayments.¹² Drive out of the Dealership with a clear road ahead then drive back a few years later with more options at your disposal than ever before. Whatever stage you're at in life, Toyota Access puts you in the driver's seat with flexibility and assurance. To discover Toyota Access for yourself visit toyota.com.au/toyota-access

Capped price servicing¹³

A new Toyota means you don't have to worry about unexpected service costs. Every Toyota comes with a low, capped price service cost for a set number of years/kilometres. Pay the same low capped price from one eligible logbook service to the next for up to three years or 60,000km, whichever occurs first (including Genuine parts, labour and fluids). For the full benefits consult a Toyota Dealer or visit toyota.com.au/advantage

Toyota Warranty Advantage

Every new Toyota is built to exceptional standards, and from 1 January 2019, Toyota vehicles are backed by a 5 years from delivery or 160,000kms (whichever occurs first) warranty.¹⁴ If your vehicle is properly serviced and maintained per its Warranty and Service Book, we'll extend your engine and driveline warranty for an additional 2 years,¹⁵ giving you peace of mind for years to come. In the event of a claim covered by warranty, you are covered by a

60 day money back guarantee and 7 years emergency assistance including expenses related to car hire, towing or even accommodation if required. For more information visit toyota.com.au/owners/warranty

Finance to get you going

If you need a little help, Toyota Finance¹⁶ can offer you a wide range of vehicle financing options. With Toyota Finance, you'll have the peace of mind of dealing with one of Australia's leading vehicle finance corporations with over 30 years experience. And with a range of flexible products and services to suit almost every need and circumstance, Toyota Finance can help find the right package for you or your business.

Insurance options

Our Comprehensive Motor Vehicle insurance policy is packed with great benefits including; agreed value cover, new vehicle replacement if your Toyota is written off within the first three years, use of Toyota Genuine Parts, and a Lifetime Repair Guarantee on repairs authorised by Toyota Insurance.¹⁷ For more information visit toyota.com.au/insurance

Extend your peace of mind

Whether it's a flat tyre, lost keys or a flat battery, Toyota Roadside Assist¹⁸ is never more than a phone call away. Available 24 hours a day, seven days a week, our technicians are there to help you get back on the road. For more information visit toyota.com.au/insurance/roadside-assistance
